Through,

The Inspectress Of Girls Schools. Cuddapah Circle.

B E L L A R Y.

Honoured Sir,

The humble memorial of C. Bheema Rao Music Teacher most respectfully showeth.

1. That he has been working as a teacher in the Government Training School, for Canarese women, at Hospet for the past ten months. He has uptill now put in an uninterupte service of 22 years in the various Government Girl's Schools in varbous capacities as Headmaster, Assistant Master and Music teacher as well.

2. He worked as Music teacher in Government Secondary School, for Girls, Anantapur, for no less than 2 years. Unfortunately that post was abolished, but at the same time he certified to be a teacher in the same School, and he was appointed in one of the vacancies by the kindness of the Inspectress of Girls Schools, who felt sorry to send back a experienced hard working teacher as the memorialist after he had put in a service of nearly 22 years. He felt grateful for the kindness bestowed by Mr. Eventually on the memorialists representation. His Lordship the Director Public Instruction, was moved as to pass in his proceedings R. Dated 9th September 1924, an order to the following effect namely, that the memorialist should be allowed to continue service till he attains the [illegible]

The memorialist was extremely grateful for the order so kindly made on his behalf and was under the impression that he had been practically confirmed in the post.

3. In 1926, however, the memorialist to his great misfortune fell seriously ill, and he was obliged to apply for leave on medical certificate for six months from 17-6-26. to 16-12-26. The absence from duty was partly treated as leave on half average salary from 17-6-26 to 16-10-26. and the remaining period as extraordinary leave. The memorialists ill health was certified to by the District Medical Officer, Anantapur, and according to the Fundamental Rules the Memorialist ought to have been granted leave on full average salary. When this was not done the Memorialist to his misfortune was given to understand that he had not been confirmed. This caused a great deal of anxiety and worry in his old age after he has served under the benign Government for no less than 22 years.

4. The Memorialist has got a large family to maintain consisting of 5 members. Of these one is a boy of tender years being only 11 years old and this boy has to be educated. The Music's teachers post in the Government Training School for mistresses, Contormont, Bellary, has been permanently vacant, and there is practically no objection to confirm the Memorialist in the said post at least now.

5. As regards the Memorialist's Educational qualification he has passed the old Middle School Examination and studied up to the old Metriculation Class. He also holds a Trained Teacher's Certificate of Elementary High grade. Above all he is a medalist in the Art of Music, being an expert Violinist. Hence he is fully qualified for the said post, and there can be no account any administrative objection to his confirmation there in. If the Memorialist is not confirmed in his old age after his hard and [illegible] of 22 years under this Benign

LAW AND EDUCATION Department.

Sir,

In resubmitting herewith the petition from C.Bhima Rao referred to me for remarks with Law (Education) Endorsement No.1910-B-1 dated 25-8-28, I have the honour to request you to be so good as to obtain the sanction of Government to permit me, in the special circumstances of the case, to confirm C.Bhima Rao with retrospective effect as an elementary grade teacher. C.Bhima Rao ~~was~~ not been confirmed till now, as he is a male teacher with only elementary grade qualifications. He was allowed to continue as an officiating teacher- vide G.O.No.524 (Routine) Law (Education) dated 16-9-24. It is now proposed to confirm him in view of his long service and approaching retirement.

2. If C.Bhima Rao is confirmed as an elementary grade teacher, his substantive pay in the scale of Rs.25-1-50 will be Rs.30/- and he will therefore be entitled to draw only his substantive pay from 7-10-27, the date on which he joined duty as officiating Music teacher in the Government Training School for Kanarese Women, Hospet and will not be entitled to the pay of Rs.45/- which ~~he is drawing as officiating music teacher~~ he is drawing as officiating Music teacher. under G.O.No.2046 Mis., Education, dated 21-10-27. Consequently he will have to refund the excess pay drawn by him from 7-10-27 as officiating music teacher in the Government Training School, for Kanarese Women, Hospet, unless Government declare that officiating promotions are admissible to elementary grade teachers holding substantive appointments in ~~Secondary grade~~ special subjects teacher' cadre if they are appointed to officiate as teachers of special subjects viz:, Music, Drawing, Sewing and needle work, in the scale o. Rs.45-3-90. In this connection, I beg to point out that the same hardship will be and is being felt by other teachers also besides C.Bhima Rao. A permanent teacher of the Elementary Grade, with requisite technical qualifications, whether male or female, is entitled to no officiating allowance when officiating as a teacher of special subjects in the scale of Rs.45-3-90. Whereas, a teacher holding no substantive appointment but possessing teachnical qualifications alone can draw pay and increments as an officiating teacher of special subjects in the scale of Rs.45-3-90. This position is anomalous and I consider that the hardship arising on account of anomalous position may will be removed. I therefore recommend tha Elementary grade teachers holding substantive appointments in the Secondary grade teacher's cadre, if they are appointed to officiate as teachers of Special subjects in the scale of pay of Rs.45-3-90, may be declared eligible for officiating promotions.

Subject. Confirmation of C.Bhima Rao, temporary music teacher, Government Training School for Kanarese Women, Hosoet, with retrospective effect from 12-7-1906.

Sir,

With reference to Government Endorsement No.1910-B/28 dated 23-2-1929, I have the honour to state that the proposal to confirm C.Bhima Rao, temporary music teacher with retrospective effect from 12th July 1906 in posts reported to have been permanently vacant from time to time during the last 23 years is an unusual concession. Neither the Director's Office nor this office can readily satisfy itself that the teacher's service has been continuous throughout and that no other Government servant has already been granted a lien in these posts. The opening of a service book and verifying all the previous services by reference to pay bills, acquittance rolls etc., would involve considerable amount of labour. A more straightforward couse would be for Government to grant him a pension as a special case when he actually retires.

The D.P.I. proposes

(i) that C. Bhima Rao, Music

p. 14 c.f. teacher, Training school for

Kanarese women, Hospet, may

be confirmed as a teacher of

the elementary grade with

retrospective effect; and

(ii) that elementary grade

teachers, male or female,

ments in the secondary grade

teachers' cadre, may be

declared eligible for official

promotions, if they are

appointed to officiate as

teachers of special subjects,

such as, music, drawing,

sewing etc in the scale of

Rs. 45-3-90.

C. Bhima Rao is a higher elementary grade trained teacher. He is now acting as music teacher in the Govt. Training School for Kanarese Women at Hospet He has no substantive appointment in the Department. As he has acted as teacher in Government schools for a long time and as he will have to retire in a few years the Director proposes to confirm him (with retrospective effect) As a highe elementary grade teacher he is eligible for a pay of Rs 25-1-50. The post of music teacher which he is now holding is included in the cadre of secondary grade teachers- women's branch -(pay Rs 45-3-90 with selectio grade on Rs 100 for 20 per cent) As officiating music teacher Bhima Rao draws Rs 45 a month, the minimum in the above scale. Bhima Rao, being a male, may not be confirmed as music teacher in a girls' school. He shou therefore be confirmed only as a higher elementary teacher. Higher elementary grade teachers' posts exist only in elementary schools. As Govt. elementary schools have all been transferred to the management of local bodies the Director proposes to confirm Bhima Ra in a secondary grade teacher's post in one of the Government Secondary or Training Schools. Under G.O.No 166 dated 5-2-25, Bhima Rao will draw the pay of a high elementary grade teacher though confirmed in a seconda grade teacher's post. The date from which the confirma is to take effect has not been reported by the Directo In reply to a telephonic message it is stated that a report will be made on this point on receipt of information from the Inspectress. The report may be awaited.

The Director proposes to confirm C.Bhima Rao with effect from the 12th July 1906. He has indicated the posts in which the lien of Bhima Rao may be shown from time to time. It is not known whether such retrospective confirmation will necessitate any elaborate scrutiny by the audit office of claims for arrears of pay or officiating allowance, etc. It seems desirable to consult the A.G. before the Director's proposal is approved.
